TORONTO

Dear Olutoyin Oyelade,

On behalf of the Dress for Success Toronto program I would like to thank you and the employees of Casa Foundation for International Development for your generosity and continued support this year. We are very grateful for your efforts in organizing a successful suit drive and for your donation of professional attire to support our programming.

Each year Dress for Success Toronto continues to advance its mission of promoting the economic independence of disadvantaged women. The goal of Dress for Success Toronto is to continue to assist these women to thrive in work and in life, not only through having the proper business attire but also through a network of support and resources to assist them in their job search and professional development. Through our services we have seen many lives changed for the better.
